It is also ideally situated for many of the major tourist attractions: a 20-minute drive to Harrison's Cave, a 20-minute drive to the Barbados Museum or a 9-minute drive to Atlantis Submarines. The Palms is a short 6-minute drive from the west coast that is peppered with many beaches, all of which are open to the public. If so inclined, guests can feel free to take any of the 3 bus routes that operate 5 minutes away from the property, to take in the island as locals do.

The apartment is newly renovated and is part of a larger the property that has a mature mango from which guests may enjoy, depending on the time of the year. The property also boasts lush gardens that are littered with many flowering plants and many palm trees, for which the property is named.

This ground floor apartment is a full one-bedroom apartment and accommodates two adults.

The kitchen is fully stocked with plates, glasses, cutlery, dishes, pots and cooking utensils, as well as a kettle, toaster and coffee maker. There are a refrigerator, countertop stove, built-in oven, microwave and a washing machine.

The combined living/dining space is outfitted with comfy sofa and flat screen TV (with cable). This area boasts a ceiling fan, high ceilings and an overhead transom that allows guests to see the sky while sitting on the sofa.

The bedroom is air-conditioned with a double bed and two built-in side tables, each with its own lamp. There is also a ceiling fan and an en suite bathroom with glass shower. Several closet and full-length mirrors are provided in the bathroom. Bed linens and towels will also be provided.
