Description

We welcome you at "Esperides Stone Houses", a newly built group of 5 houses (4 maisonettes and 1 studio) offering a splendid view to the sea and to the whole bay of Kouremenos. The houses are designed and built in stone, according to the traditional Cretan architecture. Their location in the heart of olive trees plantations, the botanical gardens, the terraces and the swimming pool offer to our guests a unique feeling of calm for perfect holidays "back to the nature".

We are 300 meters away from the beach of Kouremenos and around 2 km away from the village of Palekastro. The famous palm beach of Vai is at only 5 km and all the other sightseeing like the archaeological sites of Roussolakos and Kato Zakros, the monastery of Toplou, the numerous sandy beaches and the wild but accessible gorges of the area are reachable within 5 to 30 minutes from "Esperides Stone Houses".

The studio is ground floor, has the same furnishing and equipment and is also able to sleep up to 4 persons. Its situation enables an easy access for people with retreat faculties. Each accommodation has a private terrace with a magnificent view to the beach, the swimming pool and the gardens and is equipped with air conditioning, TV satellite and CD player.
