There is plenty to do and see in laid-back Eleuthera which include caves, reefs, small settlements and historic sites.

Six vacationers can sprawl in the comfortable and serene ambience of our 3 bedroom villa rental Tarpum Bay, which comes with king-size and twin beds. All of them have large windows facing the ocean or garden to soak in the beautiful outside vistas. The four bathrooms are aptly fitted with bathtubs, showers and there are alfresco showers for your convenience.

Designed by the acclaimed Nassau architect, Michael Alexiou, this 3,100 square foot Tarpum Bay villa rental offers a host of designer furnishings and facilities such as 44" screen HDTV, TV/DVD/VCR, and DSL internet access. The kitchen is fully equipped to let you cook and relish homemade food.

The views of Winding Bay from the front verandah at our Tarpum Bay vacation rental villa are spectacular, which runs the length of the house and offer a wonderful setting to enjoy al fresco meals around the large teak dining table. Alternately, you can slouch in one of the comfy lounge chairs and get serenaded by warm Bahamas breezes.

You can also try your hand at fishing - either on your own off Winding Bay or with one of the locals who offer charters. With panoramic ocean views, proximity to the beach and numerous other facilities, our waterfront home in Tarpum Bay is a wonderful place for all ages. Likewise, Eleuthera is covered with beaches at the end of sandy roads, warm shallow waters with fantastic reefs for exploring. Since the building of our villa in 1993, Point O' Vue has been a special place that we have shared with countless visitors. We welcome you to be our guest as well.
